STAT MEMORANDUM FOR:
Office of Legislative Liaison

STAT FROM:
Chief, Litigation & Legislation Division, OGC

SUBJECT: Proposed OMB Guidelines on New
Legislative Initiatives

REFERENCE: OLL 84-0735

1. You asked for our comments on proposed OMB guidelines for Administration clearance of legislative proposals involving Federal Criminal Law Enforcement Authorities.

2. I would suggest that you tell OMB that the Agency has no comment on these proposed guidelines because its activities are wholly outside their scope. This would include the pending legislative proposal related to delegation of GSA protective authorities.
